**A BILL**

To amend the Fair Credit Reporting Act to provide for secure financial data, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Financial Data Protec-  
5 tion Act of 2005” .

1 **SEC. 2. DATA SECURITY SAFEGUARDS.**

2 (a) IN GENERAL.—The Fair Credit Reporting Act  
3 (15 U.S.C. 1681) is amended by adding at the end the  
4 following new section:

5 **“§ 630. Data security safeguards**

6 “(a) SECURITY POLICIES AND PROCEDURES.—Each  
7 consumer reporter shall have an affirmative obligation to  
8 implement, and a continuing obligation to maintain, rea-  
9 sonable policies and procedures to protect the security and  
10 confidentiality of sensitive financial personal information  
11 relating to any consumer that is maintained, serviced, or  
12 communicated by or on behalf of such consumer reporter  
13 against any unauthorized use that is reasonably likely to  
14 result in substantial harm or inconvenience to such con-  
15 sumer.

16 “(b) INVESTIGATION REQUIREMENTS.—

17 “(1) INVESTIGATION REQUIRED.—Whenever  
18 any consumer reporter determines or becomes aware  
19 of information that would reasonably indicate that a  
20 breach of data security has or may have occurred or  
21 is reasonably likely to be about to occur, or receives  
22 notice under subsection (d), the consumer reporter  
23 shall immediately conduct a reasonable investigation  
24 to—

25 “(A) assess the nature and scope of the  
26 potential breach;

1           “(B) identify the sensitive financial per-  
2           sonal information involved; and

3           “(C) determine if the potential breach is  
4           reasonably likely to result in substantial harm  
5           or inconvenience to any consumer to whom the  
6           information relates.

7           “(2) SCOPE OF INVESTIGATION.—An investiga-  
8           tion conducted under paragraph (1) shall be com-  
9           mensurate with the nature and the amount of the  
10          sensitive financial personal information that is sub-  
11          ject to the breach of data security.

12          “(3) FACTORS TO BE CONSIDERED.—In deter-  
13          mining the likelihood under this section that sen-  
14          sitive financial personal information that was the  
15          subject of a breach of data security has been or will  
16          be misused, the consumer reporter shall consider all  
17          available relevant facts, including whether the infor-  
18          mation that was subject to the breach was  
19          encrypted, redacted, required technology to use that  
20          is not generally commercially available, or is other-  
21          wise unreadable or unusable.

22          “(c) INVESTIGATION NOTICES AND SYSTEM RES-  
23          Toration REQUIREMENTS.—If a consumer reporter de-  
24          termines after commencing an investigation under sub-  
25          section (b) that a potential breach of data security may

1 result in substantial harm or inconvenience to any con-  
2 sumer to whom the sensitive financial personal informa-  
3 tion involved in such potential breach relates, the con-  
4 sumer reporter shall—

5           “(1) promptly notify the United States Secret  
6 Service;

7           “(2) promptly notify the appropriate functional  
8 regulatory agency for the consumer reporter;

9           “(3) notify as appropriate and without unrea-  
10 sonable delay—

11           “(A) any entity that owns or is obligated  
12 on a financial account that may be subject to  
13 unauthorized transactions as a result of the  
14 breach, to the extent the breach involves related  
15 sensitive financial account information, includ-  
16 ing in such notification information reasonably  
17 identifying the nature and scope of the breach  
18 and the sensitive financial personal information  
19 involved;

20           “(B) each nationwide consumer reporting  
21 agency, in the case of a breach involving sen-  
22 sitive financial identity information relating to  
23 1,000 or more consumers; and

24           “(C) any other appropriate critical third  
25 parties—

1 “(i) whose involvement is necessary to  
2 investigate the breach; or

3 “(ii) who will be required to undertake  
4 further action with respect to such infor-  
5 mation to protect such consumers from re-  
6 sulting fraud or identity theft;

7 “(4) to the extent possible and practicable, take  
8 reasonable measures to repair the breach and restore  
9 the security and confidentiality of the sensitive fi-  
10 nancial personal information involved to limit fur-  
11 ther unauthorized use of such information; and

12 “(5) take reasonable measures to restore the in-  
13 tegrity of the affected data security safeguards and  
14 make appropriate improvements to data security  
15 policies and procedures.

16 “(d) THIRD PARTY DUTIES.—

17 “(1) COORDINATED INVESTIGATION.—When-  
18 ever any consumer reporter that maintains or re-  
19 ceives sensitive financial personal information for or  
20 on behalf of another party determines, or has reason  
21 to believe, that a breach of data security has oc-  
22 curred with respect to such information, the con-  
23 sumer reporter shall—

24 “(A) promptly notify the other party of the  
25 breach;

1           “(B) conduct a coordinated investigation  
2           with the other party as described in subsection  
3           (b); and

4           “(C) ensure that the appropriate notices  
5           are provided as required under subsection (e).

6           “(2) CONTRACTUAL OBLIGATION REQUIRED.—

7           No consumer reporter may provide sensitive finan-  
8           cial personal information to a third party to main-  
9           tain, receive, or communicate on behalf of the con-  
10          sumer reporter, unless such third party agrees that  
11          whenever the third party becomes aware that a  
12          breach of data security has occurred or is reasonably  
13          likely to have occurred with respect to such informa-  
14          tion maintained, received, or communicated by such  
15          third party, the third party shall be obligated—

16                 “(A) to provide notice of the breach to the  
17                 consumer reporter;

18                 “(B) to conduct a coordinated investigation  
19                 with the consumer reporter to determine the  
20                 likelihood that such information will be misused  
21                 against the consumers to whom the information  
22                 relates in a manner that would cause substan-  
23                 tial harm or inconvenience to any such con-  
24                 sumers; and

1           “(C) provide any consumer notices re-  
2           quired under subsection (e), except to the ex-  
3           tent that such notices are provided by the con-  
4           sumer reporter in a manner meeting the re-  
5           quirements of such subsection.

6           “(e) CONSUMER NOTICE.—

7           “(1) POTENTIAL IDENTITY THEFT RISK.—A  
8           consumer reporter shall provide a consumer notice in  
9           accordance with subsection (f) if, after being re-  
10          quired to commence an investigation pursuant to  
11          this section, the consumer reporter becomes aware—

12           “(A) that a breach of data security is rea-  
13           sonably likely to have occurred, with respect to  
14           sensitive financial identity information main-  
15           tained, received, or communicated by or on be-  
16           half of the consumer reporter;

17           “(B) of information reasonably  
18           identifying—

19           “(i) the nature and scope of the  
20           breach, and

21           “(ii) the sensitive financial identity in-  
22           formation involved; and

23           “(C) that such information has been or is  
24           reasonably likely to be misused in a manner  
25           causing substantial harm or inconvenience

1           against the consumers to whom such informa-  
2           tion relates to commit identity theft.

3           “(2) POTENTIAL FRAUDULENT TRANSACTION  
4           RISK.—

5                   “(A) IN GENERAL.—A consumer reporter  
6           shall provide a consumer notice in accordance  
7           with subsection (f) if, after being required to  
8           commence an investigation pursuant to this sec-  
9           tion, the consumer reporter becomes aware—

10                           “(i) that a breach of data security is  
11                           reasonably likely to have occurred, with re-  
12                           spect to sensitive financial account infor-  
13                           mation maintained, serviced, or commu-  
14                           nicated by or on behalf of the consumer re-  
15                           porter;

16                                   “(ii) of information reasonably  
17                           identifying—

18   “(I) the nature and scope of the  
19   breach, and

20   “(II) the sensitive financial ac-  
21   count information involved; and

22   “(iii) that such information has been  
23   or is reasonably likely to be misused in a  
24   manner causing substantial harm or incon-  
25   venience against consumers to whom such

1 information relates to make fraudulent  
2 transactions on such consumers' financial  
3 accounts.

4 “(B) POTENTIAL DELAYED DETERMINA-  
5 TION FOR INFORMATION SECURITY PRO-  
6 GRAMS.—In determining the likelihood of mis-  
7 use of sensitive financial account information  
8 under subparagraph (A), the consumer reporter  
9 may additionally consider whether any neural  
10 networks or security programs used by, or on  
11 behalf of, the consumer reporter have detected,  
12 or are likely to detect on an ongoing basis over  
13 a reasonable period of time, fraudulent trans-  
14 actions resulting from the breach of data secu-  
15 rity.

16 “(f) TIMING, CONTENT, AND MANNER OF NO-  
17 TICES.—

18 “(1) ORDER OF NOTICE.—The notices required  
19 under this section shall be made promptly to the en-  
20 tities described in paragraphs (1) and (2) of sub-  
21 section (c), then promptly to any appropriate third  
22 parties, and then without unreasonable delay to any  
23 consumers described in subsection (e)(1)(C) or  
24 (e)(2)(A)(iii), in accordance with such subsections.

1           “(2) DELAY OF NOTICE FOR LAW ENFORCE-  
2           MENT PURPOSES.—If a consumer reporter receives a  
3           written request from an appropriate law enforcement  
4           agency indicating that providing a notice under sub-  
5           section (c)(3) or (e) would impede a criminal or civil  
6           investigation by that law enforcement agency, or an  
7           oral request from an appropriate law enforcement  
8           agency indicating that such a written request will be  
9           provided within 2 business days—

10                   “(A) the consumer reporter shall delay, or  
11                   in the case of a foreign law enforcement agency  
12                   may delay, providing such notice until—

13                           “(i) the law enforcement agency in-  
14                           forms the consumer reporter that such no-  
15                           tice will no longer impede the investigation;  
16                           or

17                           “(ii) the law enforcement agency fails  
18                           to—

19                                   “(I) provide a written request  
20                                   within 2 business days following an  
21                                   oral request for a delay; or

22                                   “(II) provide within 10 days a  
23                                   written request to continue such delay  
24                                   for a specific time that is approved by  
25                                   a court of competent jurisdiction;

1           “(B) the consumer reporter shall not be  
2           liable for any losses that would not have oc-  
3           curred but for the delay provided for under this  
4           paragraph or but for the communication of any  
5           information provided to any law enforcement  
6           agency pursuant to this section, except that  
7           nothing in this subparagraph shall be construed  
8           as creating any inference with respect to the es-  
9           tablishment or existence of any such liability;  
10          and

11           “(C) the consumer reporter may—

12                   “(i) conduct appropriate security  
13                   measures that are not inconsistent with  
14                   such request; and

15                   “(ii) contact any law enforcement  
16                   agency to determine whether any such in-  
17                   consistency would be created by such  
18                   measures.

19           “(3) CONTENT OF CONSUMER NOTICE.—Any  
20           notice required to be provided by a consumer re-  
21           porter to a consumer under paragraph (1) or (2) of  
22           subsection (e), and any notice required in accord-  
23           ance with subsection (d)(2)(A), shall be provided in  
24           a standardized envelope or transmission, and shall

1 include the following in a clear and conspicuous  
2 manner:

3 “(A) An appropriate heading or notice  
4 title.

5 “(B) A description of the nature and type  
6 of information that was, or is reasonably be-  
7 lieved to have been, subject to the breach of  
8 data security.

10 consumer of any entity that suffered the  
11 breach.

12 “(D) If known, the date, or a reasonable  
13 approximation of the period of time, on or with-  
14 in which sensitive financial personal information  
15 related to the consumer was, or is reasonably  
16 believed to have been, subject to a breach.

17 “(E) A general description of the actions  
18 taken by the consumer reporter to restore the  
19 security and confidentiality of the breached in-  
20 formation.

21 “(F) A telephone number by which a con-  
22 sumer to whom the breached information re-  
23 lates may call free of charge to obtain addi-  
24 tional information about how to respond to the  
25 breach.

1           “(G) With respect to notices involving sen-  
2           sitive financial identity information, a summary  
3           of rights of consumer victims of fraud or iden-  
4           tity theft, such as that prepared by the Com-  
5           mission under section 609(d), including any ad-  
6           ditional appropriate information on how the  
7           consumer may—

8                   “(i) obtain a copy of a consumer re-  
9                   port free of charge in accordance with sec-  
10                  tion 612;

11                  “(ii) place a fraud alert in any file re-  
12                  lating to the consumer at a consumer re-  
13                  porting agency under section 605A to dis-  
14                  courage unauthorized use; and

15                  “(iii) contact the Commission for  
16                  more detailed information.

17           “(H) With respect to notices involving sen-  
18           sitive financial identity information, appropriate  
19           instructions to the consumer for obtaining file  
20           monitoring mitigation under subsection (g),  
21           which shall include a mailing address for the  
22           consumer to make a request for such mitiga-  
23           tion, and may also include additional contact in-  
24           formation, such as an e-mail or website address  
25           or a telephone number.

1           “(I) The approximate date the notice is  
2           being issued.

3           “(4) OTHER TRANSMISSION OF NOTICE.—The  
4           notice described in paragraph (3) may be made by  
5           other means of transmission (such as electronic or  
6           oral) to a consumer only if—

7           “(A) the consumer has previously and ex-  
8           pressly agreed to receive notice by such means;  
9           and

10           “(B) all of the relevant information in  
11           paragraph (3) is communicated to such con-  
12           sumer in such transmission.

13           “(5) DUPLICATIVE NOTICES.—

14           “(A) IN GENERAL.—A consumer reporter,  
15           whether acting directly or in coordination with  
16           another entity—

17           “(i) shall not be required to provide  
18           more than 1 notice with respect to any  
19           breach of data security to any affected  
20           consumer, so long as such notice meets all  
21           the applicable requirements of this section,  
22           and

23           “(ii) shall not be required to provide  
24           a notice with respect to any consumer if a  
25           notice meeting the applicable requirements

1 of this section has already been provided  
2 by another entity.

3 “(B) UPDATING NOTICES.—If a consumer  
4 notice is provided to consumers pursuant only  
5 to subsection (e)(2) (relating to sensitive finan-  
6 cial account information), and the consumer re-  
7 porter subsequently becomes aware of a reason-  
8 able likelihood that sensitive financial personal  
9 information involved in the breach is being mis-  
10 used in a manner causing substantial harm or  
11 inconvenience against such consumer to commit  
12 identity theft, then an additional notice must be  
13 provided to such consumers as well any other  
14 appropriate parties under this section, including  
15 the summary of rights and file monitoring miti-  
16 gation instructions under subparagraphs (G)  
17 and (H) of subsection (e)(3).

18 “(6) RESPONSIBILITY AND COSTS.—Except as  
19 otherwise established by agreement, the entity that  
20 suffered a breach of data security shall be—

21 “(A) primarily responsible for providing  
22 any consumer notices required under this sec-  
23 tion with respect to such breach; and

1           “(B) responsible for the reasonable actual  
2           costs of any notices provided under this section,  
3           except as otherwise established by agreement.

4           “(g) FINANCIAL FRAUD MITIGATION.—

5           “(1) FREE FILE MONITORING.—Any consumer  
6           reporter that is required to provide notice to a con-  
7           sumer under paragraph (1) of subsection (e), or that  
8           is deemed to be in compliance with such requirement  
9           by operation of subsection (h), if requested by the  
10          consumer before the end of the 90-day period begin-  
11          ning on the date of such notice, shall make available  
12          to the consumer, free of charge and for at least a  
13          6-month period, a service that monitors nationwide  
14          credit activity regarding a consumer from a con-  
15          sumer reporting agency described in section 603(p).

16          “(2) JOINT RULEMAKING FOR SAFE HARBOR.—

17          In accordance with subsection (i), the Secretary of  
18          the Treasury, the Board of Governors of the Federal  
19          Reserve System, and the Commission shall jointly  
20          develop standards and guidelines, which shall be  
21          issued by all functional regulatory agencies, that, in  
22          any case in which—

23                  “(A) free file monitoring is offered under  
24                  paragraph (1) to a consumer;

1           “(B) subsequent to the offer, another  
2           party misuses sensitive financial identity infor-  
3           mation on the consumer obtained through the  
4           breach of data security (that gave rise to such  
5           offer) to commit identity theft against the con-  
6           sumer; and

7           “(C) at the time of such breach the con-  
8           sumer reporter met the requirements of sub-  
9           section (a),  
10          exempts the consumer reporter from any liability for  
11          any harm to the consumer resulting from such mis-  
12          use, other than any direct pecuniary loss or loss pur-  
13          suant to agreement by the consumer reporter, except  
14          that nothing in this paragraph shall be construed as  
15          creating any inference with respect to the establish-  
16          ment or existence of any such liability.

17          “(h) COMPLIANCE WITH GLBA.—

18                 “(1) IN GENERAL.—For the purposes of this  
19          section, any person subject to section 501(b) of title  
20          V of the Gramm-Leach-Bliley Act shall be deemed to  
21          be in compliance with—

22                 “(A) subsection (a), if—

23                         “(i) the person is obliged to imple-  
24                         ment appropriate safeguards, with respect  
25                         to customer records and information, pur-

1 suant to regulations, guidelines, or guid-  
2 ance prescribed by or issued by an agency  
3 or authority in accordance with such sub-  
4 section of the Gramm-Leach-Bliley Act;

5 “(ii) the person is substantially in  
6 compliance with such obligation; and

7 “(iii) the safeguards are being applied  
8 by the person with respect to sensitive fi-  
9 nancial personal information in the same  
10 manner as with respect to customer  
11 records and information;

12 “(B) subsection (b), if—

13 “(i) the person is obliged to conduct  
14 investigations of breaches of information  
15 security pursuant to regulations, guide-  
16 lines, or guidance prescribed by or issued  
17 by an agency or authority in accordance  
18 with such subsection of the Gramm-Leach-  
19 Bliley Act;

20 “(ii) the person is substantially in  
21 compliance with such obligation; and

22 “(iii) the person conducts such inves-  
23 tigation with respect to sensitive financial  
24 personal information in the same manner

1 as with other information subject to such  
2 regulation, guideline, or guidance; and

3 “(C) subsections (c), (d), (e), and (f)  
4 (other than subsection (f)(3)), if—

5 “(i) the person is obliged to imple-

12 “(ii) the person is substantially in  
13 compliance with such obligation; and

14 “(iii) the person implements such con-

19 or guidance.

20 “(2) COORDINATION WITH REQUIREMENTS FOR  
21 GSES.—For purposes of paragraph (1), if—

22 “(A) with respect to any requirement de-  
23 scribed in subparagraph (A)(i), (B)(i), or (C)(i)  
24 of paragraph (1) relating to sensitive financial  
25 personal information—

1           “(i) an enterprise (as defined in title  
2           XIII of the Housing and Community De-  
3           velopment Act of 1992) is required to com-  
4           ply with orders, guidance, or regulations  
5           issued by the functional regulatory agency  
6           set forth in subsection (j)(1)(F); and

7           “(ii) such orders, guidance, or regula-  
8           tions of such functional regulatory agency  
9           are substantially consistent with regula-  
10          tions, guidelines, or guidance prescribed by  
11          or issued by an agency or authority in ac-  
12          cordance with section 501(b) of the  
13          Gramm-Leach-Bliley Act (without regard  
14          to whether such enterprise or functional  
15          regulatory agency is subject to such section  
16          501(b)) that relate to any requirement de-  
17          scribed in subparagraph (A)(i), (B)(i), or
